- C.S.O
- Ground Disturbance

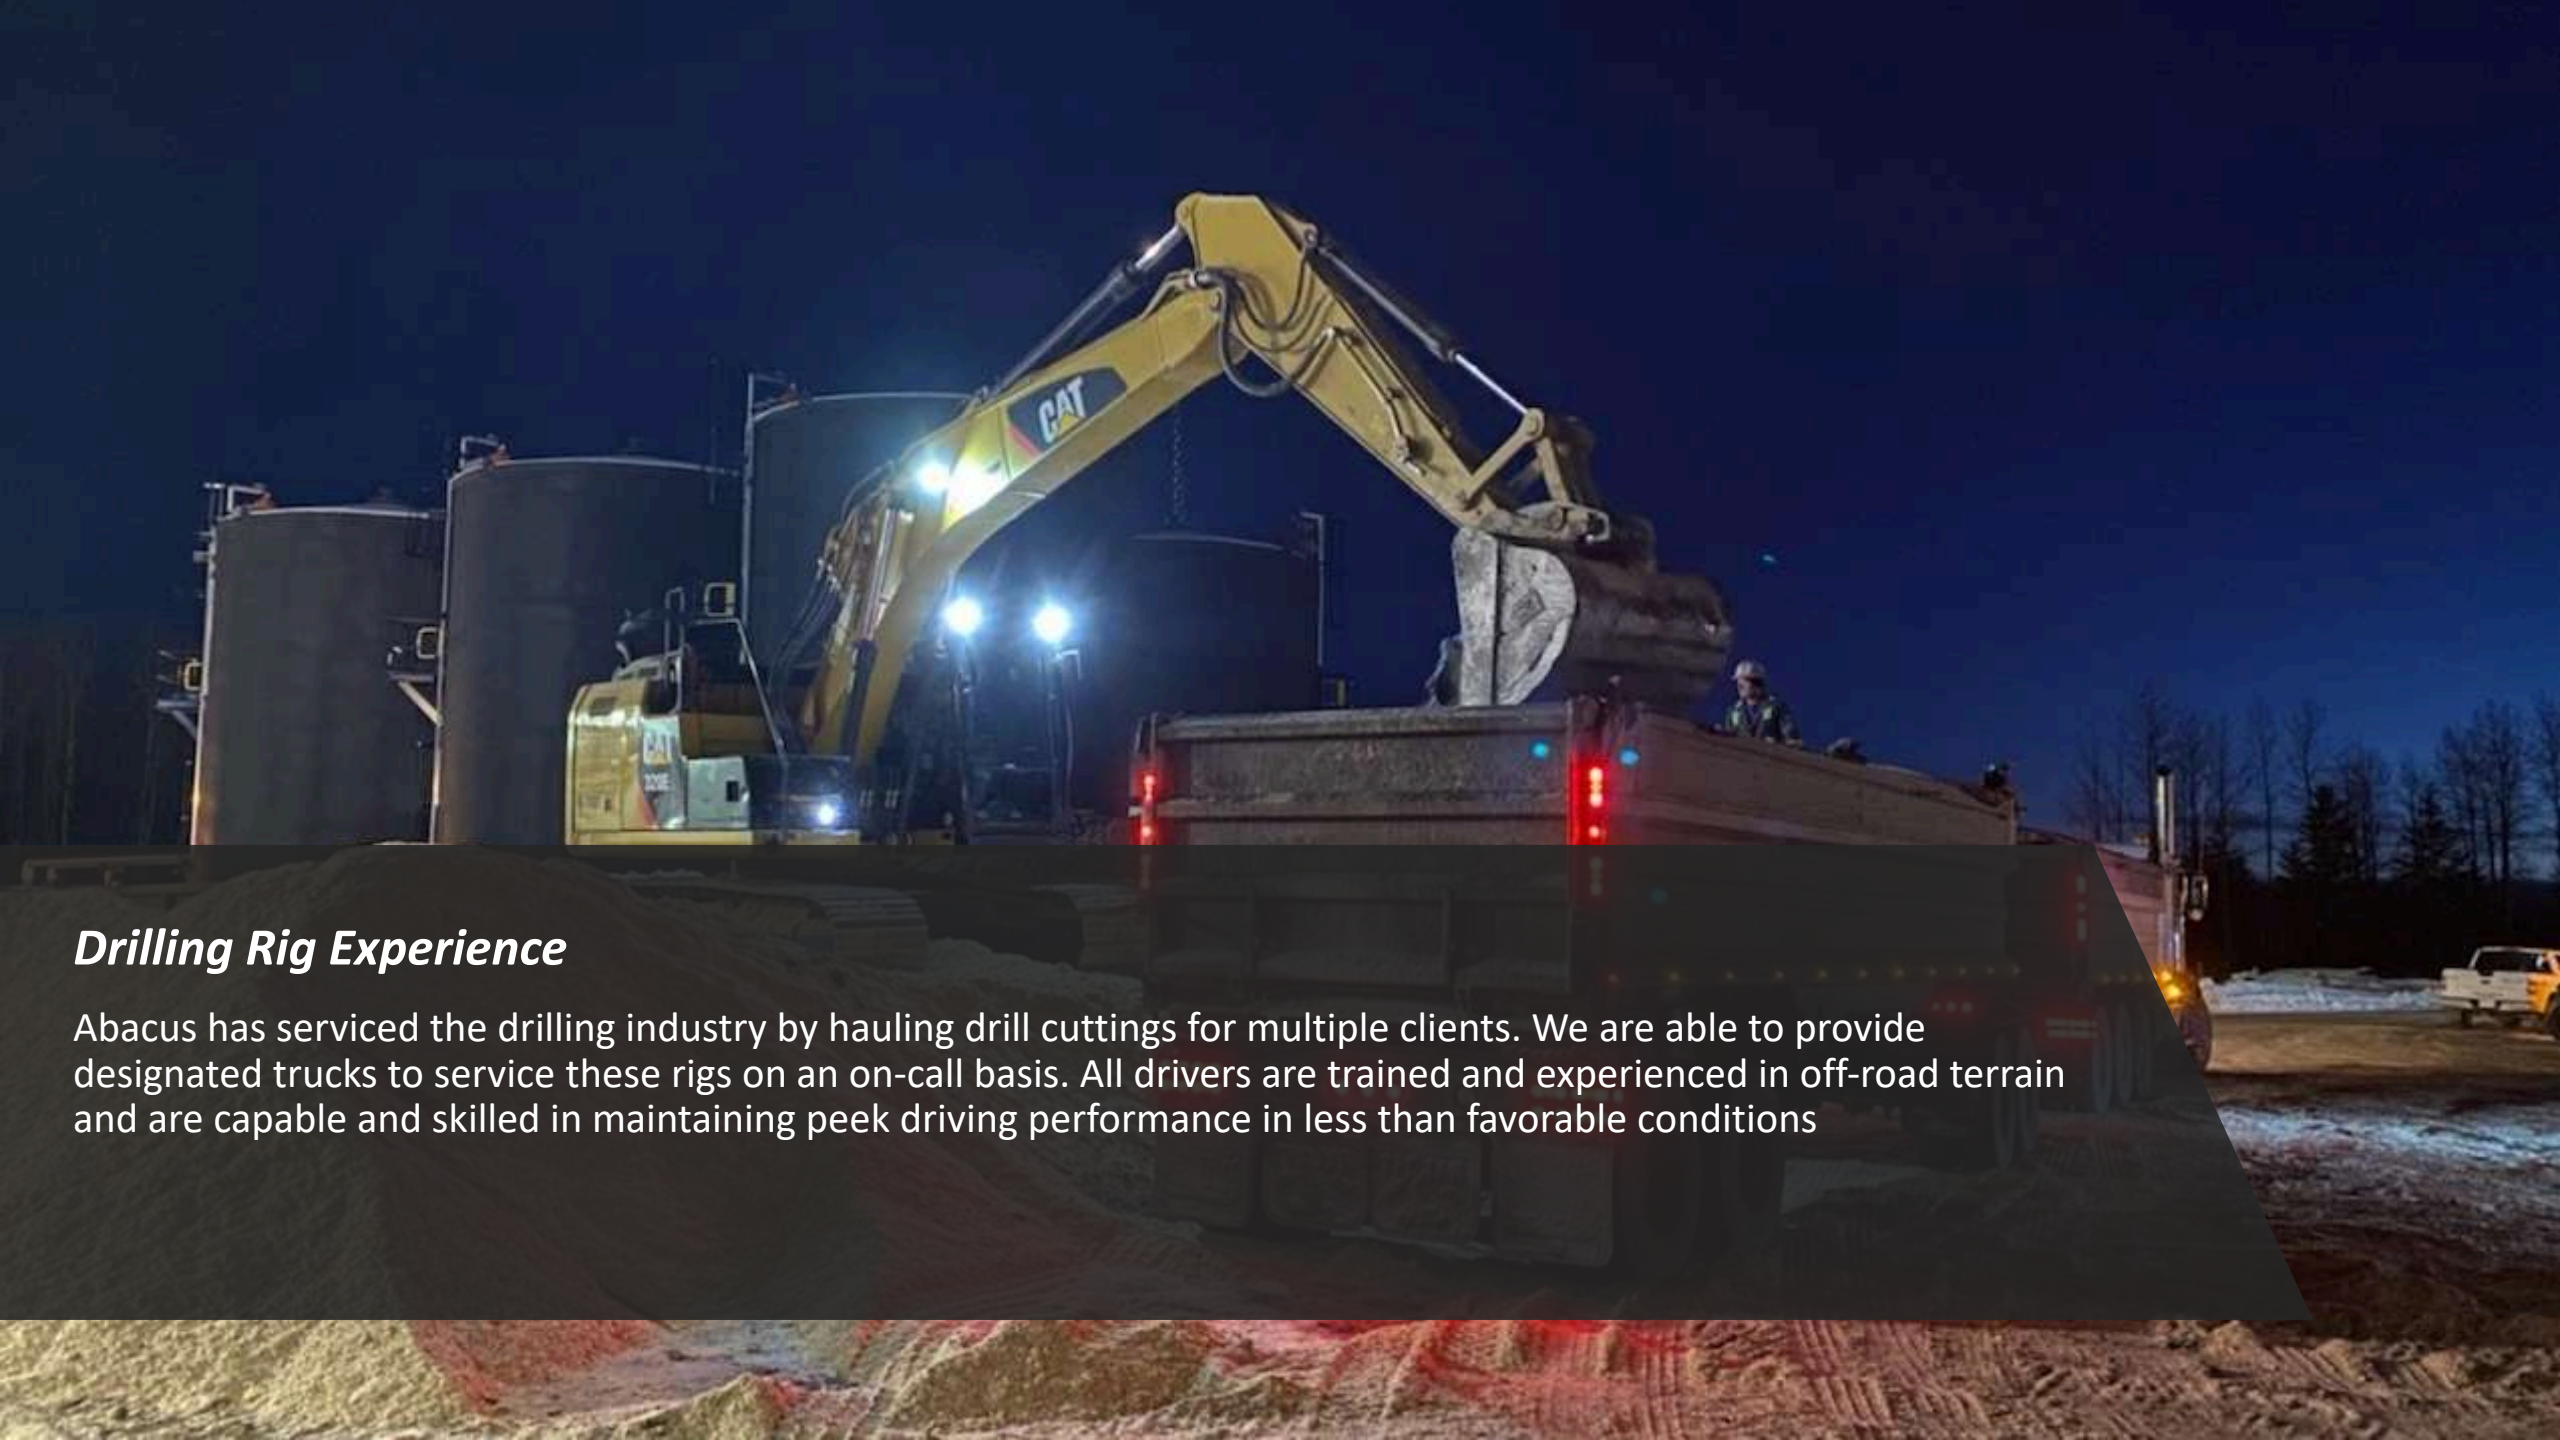

Abacus Enterprises is a leader in the environmental remediation and reclamation sector. We have the highest safety standards in the industry, along with one of the newest fleets. Our equipment is maintained on a strict maintenance policy and is cleaned regularly.

Earthworks; Remediation and Reclamation

Over the past 28+ years, Abacus' team has completed a myriad of oilfield and civil projects. Our reclamation/remediation professionals are equipped with the required equipment, extensive range of capabilities and the knowledge to ensure that all land projects are reclaimed to industry standard and environmental legislation. Abacus' main focus is reducing land disturbance, proper storage and salvage of on-site material and re-vegetation of the land in a safe and proficient manner. Abacus is capable of handling projects of all sizes and complexity, completing them in an efficient and cost effective manner from start to finish.

Drilling Rig Experience

Abacus has serviced the drilling industry by hauling drill cuttings for multiple clients. We are able to provide designated trucks to service these rigs on an on-call basis. All drivers are trained and experienced in off-road terrain and are capable and skilled in maintaining peak driving performance in less than favorable conditions

Heavy Equipment Hauling

Abacus owns and operates numerous tractor trailer configurations with the ability and knowledge of hauling heavy equipment into and off lease. These tractor trailers are equipped with winches, scissor neck tridems and hydraulic removable neck equipment trailers allowing our professional drivers to access and move various pieces of equipment and industrial materials

- Hitachi ZX350 Excavator
- Hitachi ZX290 Excavator
- Hitachi ZX250 Excavator
- Hitachi ZX245 Zero Swing Excavator
- Hitachi ZX240 Excavator
- Bobcat 430 Mini Excavator
- Cat D6T Dozer
- Cat D6N Dozer
- John Deere 624K Loader
- John Deere 544G Loader
- John Deere 300D Rock Truck
- Kubota 130HP Tractor c/w Front End Loader

- Kubota 110HP Tractor c/w Rock Bucket Grapple Combination
- Kubota 60HP Tractor
- Power & Non-Power Tractor Attachments: Power Harrows, Disc, Rotospik, Paratill, Mower, Seeder, Hitch Harrows
- Cat C256 Skid Steer
- Smooth Drum/Sheep Foot Packer
- Peterbilt Tri-Drive Quad, 40.5 Tonne Capacity
- Peterbilt Tri-Drive Tridem End Dump, 33.5 Tonne Capacity
- Peterbilt Tri-Drive Which & 12/20 Wheel Lowboy

Abacus has expanded our Reclamation fleet with three Kubota Tractors:

- ❑ 130Hp Tractor c/w Front End Loader
- ❑ 110Hp Tractor c/w Rock Bucket Grapple Combination
