

# INSURANCE BUILT FOR ENVIRONMENTAL CONSULTANTS

**You protect the environment. We protect you.**

*Insurance built for the realities of environmental consulting. Best-in-class protection. Smarter pricing. Seamless digital delivery.*

## The Navacord Advantage

Environmental Consultants face complex risks - professional, operational and environmental - that most off-the-shelf policies do not address. Our new digital insurance platform was built specifically for your industry, combining top-tier coverage, flexible options and instant access in one streamlined solution.

## Why Work With Us

We understand your world because we specialize in it.

- ✓ **Purpose-built coverage:** built around how your firm actually operates
- ✓ **Best pricing in the market:** superior protection at a competitive rate.
- ✓ **Digital ease, human expertise:** the efficiency you want, with the guidance you trust.

**Designed for consulting firms of all sizes - from independent specialists to national teams**

## Coverage That Fits Your Firm

Choose only what you need - no more, no less

- **Professional Liability (E&O):** Coverage for advice, analysis and reporting errors
- **Commercial General Liability:** Core protection for fieldwork, lab work and client site visits
- **Pollution Liability:** True environmental coverage - not an afterthought
- **Legal & administrative coverage:** disciplinary hearings, loss of documents, fines & penalties

Each policy integrates seamlessly to eliminate overlaps and gaps.

**Ready to protect your work and reputation?**
